

Wagner's "Employee of the Year"

Award Nomination Form

Every business has those employees who hold it all together: the one who never cracks under pressure, who gets the job done when it counts, offers great customer service or who creates a great environment to be around. We developed this award to allow the public to recognize these employees by awarding them Wagner's Employee of the Year Award.

Nominate an individual you feel goes the extra mile in the job they're in. Any person, whether you're an employer or a customer, is welcome to nominate an individual you think deserving of the award.

Complete this form and mail to PO Box 697, or go to www.wagnerareagrowth.org/employee to fill out online.
